

ICEPA 2012 LIST OF POSTER PRESENTATIONS

- ID#100 Haapala, E.A., Poikkeus, A-M., Kukkonen-Harjula, K., Lindi, V., Leppänen, P.H.T. & Lakka, T.A. Finland: "The relationships of neuromotor and cardiorespiratory fitness with academic skills and cognition in primary school children"
- ID#101 Besiktas, Y. & Orta, L. Turkey: "The effects of anxiety to anaerobic capacity in elite sprinter"
- ID#102 Rottensteiner, C., Laakso, L. & Pihlaja, T. Austria/Finland: "Reasons for withdrawal and the coach-athlete relationship related to sustained participation in competitive sports among adolescents"
- ID#103 Chow, J.Y., Tay, C. & Lee, M. Singapore: "Quantifying herding behaviour in basketball: An ecological dynamics perspective"
- ID#104 Ahmadi, M. & Mirshekarlu, A.D. Iran: "The effects of mastery and performance-oriented motivational climate on self-determination and learning of Basic volleyball skills"
- ID#105 Ahmadi, M. Iran: "The effects of Attentional Focus and Skill Level in Performance of Badminton Long Service"
- ID#106 Korpelainen, R., Laurila, E., Virtanen, P., Jauho, A. & Silven, O. Finland: "Methods for measuring physical activity in challenging populations"
- ID#107 Hirvensalo, M., Tammelin, T., Telama, R., Xiaolin, Y., Magnussen, C., Heinonen, I., Viikari, J. & Raitakari, O. Finland: "Comparison of physical activity measured by questionnaire and pedometer"
- ID#108 Paakkinen, A-M., Mehtälä, A., Soini, A. Sääkslahti, A., Tammelin, T., Villberg, J. & Poskiparta, M. Finland: "3-year-old preschool children's physical activity and prompting to physical activity"
- ID#109 Andrade, D. Brasil: "Garbage collector through an intervention of physical activity"
- ID#110 Kämppi, K., Laine, K., Pönkkö, A., Asanti, R. & Tammelin, T. Finland: "School staff views on the role of school in promoting student physical activity during the school day"
- ID#111 Wirth, C., Todorovich, J & Drost, D. USA: "Comparison of Equivalency of Results Between the One-Mile Walk-Run and PACER Tests for Determining the Aerobic Capacity of typical University Students"
- ID#112 Kokko, S., Villberg, J. & Kannas, L. Finland: "How supportive Finnish youth sport coaches are in a case of an injury?"
- ID#113 Hakamäki, M. & Rajala, K. Finland: "Increasing the opportunity of children from low income backgrounds to participate in sport – evaluation of Finnish pilot project plans"
- ID#114 Haapala, H., Laine, K., Laakso, L, Hirvensalo, M. & Tammelin, T. Finland: "Physically active school recess: student and staff experiences from the Finnish schools on the move programme"
- ID#115 Rajala, K., Turpeinen, S. & Laine, K. Finland: "Self-reported obstacles to physical activity during recess"

- ID#116 Crova, C., Marchetti, R. Masci, I. Forte, R. & Pesce. Italia: "Gross-motor cognitive training: benefits in early school years"
- ID#117 Lee, M., Chow, J.Y. & Tan, C. Singapore: "The application of a Nonlinear Pedagogy approach in learning a sports skill"
- ID#118 Yang, X., Telama, R., Hirvensalo, M., Tammelin, T., Viikari, J. & Raitakari, O. Finland: "Commuting physical activity as a part of lifestyle behaviors along the life-course: the Young Finns Study"
- ID#119 Rasinaho, M. & Hirvensalo, M. Finland: "Physical activity counseling for older adults"
- ID#120 Turpeinen, S., Kankaanpää, A. & Tammelin, T. Finland: "Parents' views on children's commuting to school: what is an acceptable distance for children to cycle or walk?"
- ID#121 Hedayatpour, N. Iran: "Fatigue alters reflexive muscular activity around knee joint in response to valgus/ varus perturbations"
- ID#122 Piccinno, A. & Colella, D. Italy: "Declines in physical fitness in Italian high-school adolescents according to age and sex"
- ID#123 Siljamäki, M., Perttula, J., Sääkslahti, A. & Anttila, E. Finland: "Empowerment and obstacles to learning. Meaningful experiences of Finnish non-professional dancers of West African dances, Oriental dance and flamenco"
- ID#124 Hedayatpour, N. Iran: "Facilitation of quadriceps activations is impaired following eccentric exercise"
- ID#125 Kankaanpää, A., Rajala, K. & Hakamäki, M. Finland: "The swimming ability on 12-year-old children in Finland"
- ID#126 Mikkola, H., Korpelainen, R., Kielinen, M. & Korkeamäki, R-L. Finland: "Polar Active and Activarium as promoter of children's physical activity in formal and informal learning environments"
- ID#127 Marchetti, R., Crova, C., Masci, I. Forte, R. & Pesce, C. Italy: "Do executive function and goal setting skill play a role in tactical sport skills?"
- ID#128 Janhunen, E., Utecht, M. & Sjögren, T. Finland: "Learning theories, motor learning theories and quality of studies used in physiotherapy RCT studies among patient with stroke"
- ID#129 Lankinen, K., Lehtonen, E., Ryhänen, A. & Sjögren, T. Finland: "Measurements of motor control and motor learning in patients with stroke in framework of ICF classification"
- ID#130 Hyttinen, A., Kosonen, S., Pirkkalainen, M., Wesman, T. & Sjögren, T. Finland: "Feedback in post stroke motor learning studies. What kind of feedback could be useful in physiotherapy? Systematic review of RCTs."
- ID#131 Tynjälä, J., Välimaa, R., Villberg, J., Ojala, K. & Kannas, L. Finland: "Physical activity, perceived physical competence and physical fitness and their association with academic achievement among 13- and 15-

year old pupils in Finland”

ID#132 Romar, J-E., Nygård, J. & Smedman, T. Finland: “Where is the truth? Student real, observed and perceived physical activity during physical education lessons”

ID#133 Nkrumah, I.K. Ghana: “Study on Relationship between enhanced child motor ability and physical activity in adolescent age In African (Ghanaian) Children”

ID#134 Sympas, I. & Digelidis, N. Greece: “4th graders’ knowledge about the digestive system and energy production process in our body”

ID#135 Lyyra, N. & Heikinaro-Johansson, P. Finland: “Integrating Hope Curriculum Model Into High School Girls’ Compulsory PE Program”

ID#136 Thompson, K., Liukkonen, J. & Watt, A. Estonia, Finland, Australia: “Differences Of Field Dependence-Independence In The Perception Of Biological Motion”

ID#137 Pirttimäki, M. Finland: “...and what is your story – Coach?”

ID#138 Ottelin, A. Finland: “Physical Activity During Recess Times Of First And Second Grade Pupils”
